Happy First Day of Fall! (September 22)

The MS &/HS football teams after winning their first games of the season

Entiat Middle School Football won the game against Mansfield 20 - 19 on 9/22. The Tigers were down by 5 points in the last quarter but Jameson Graham made a winning touchdown.

Big W for the High School football team this Saturday! The team won their first football game against the Quilcene Rangers. The Rangers were a good matchup against us but we played superiorly. It was fun to play them because they are our buddies from football camp this summer. Overall, we are happy that we won our first game and we will keep winning games from now on. Come support us at our next game at Yakama Nation Tribal on 9/30. Kick off starts at 5PM!

The Warehouse Community Church is allowing students to borrow dresses for Homecoming!
