ENTIAT SCHOOL DISTRICT

- This Budget Summary provides information on the 2023-2024 Budget for Entiat School District. More detailed budget information is available in the formal budget, which is available on the OSPI website. (Form F195)

- **WHAT ARE THE BUDGETS FOR THE SCHOOL DISTRICT?**

- **THE BUDGET CONSISTS OF FIVE SEPARATE FUNDS**

- **GENERAL FUND:**

The general fund is used to account for all financial resources except those required to be accounted for in another fund. Revenues for the general fund are primarily from state funds, special maintenance and operations levy funds, federal funds, and fees. These revenues are used for financing the current day to day operations of the school district such as our instructional programs for students, food services, maintenance, and pupil transportation. Expenditures include salaries and benefits costs, and non-labor costs such as supplies and instructional materials, utilities, fuel, insurance, and printing costs.

- **CAPITAL PROJECTS FUND:**

The Capital Projects fund provides for acquisition of lands or buildings, major modernization of buildings and other property such as fields, and acquisition of equipment, including technology systems. Capital funds may also be used for energy audits and related upgrades. The Capital Projects Fund is generally financed from the proceeds from the sale of bonds, state matching revenues, lease or sale of surplus real property, interest earnings, transfers from the General Fund and special levies.

- **DEBT SERVICE FUND:**

The Debt Service fund provides for the redemption and payment of interest on bonds. Each year an amount is levied which provides for redemption bonds currently due, interest payments on bonds outstanding, and related costs.

- **ASSOCIATED STUDENT BODY FUND (ASB):**

The ASB fund accounts for the student extracurricular activities in each school. The revenues are generated, in part, by fees from students and nonstudents attending any optional noncredit extracurricular event of the district. Although the ASB fund is under the control of the Board of Directors, each school's student body prepares and submits a revenue and expenditure plan for Board approval.

- **TRANSPORTATION VEHICLE FUND:**

The Transportation Vehicle fund accounts for the purchase or major repair of pupil transportation equipment. The Transportation Vehicle Fund is generally financed by state reimbursement to school districts for depreciation of approved pupil transportation equipment.
