### **BUS RULES**

Bus rules for the 2023-2024 school year are listed below. We are asking parents/guardians to review the rules with students. Each bus driver has tremendous responsibilities, and riders need to observe the rules so that each trip is safe. Violation of bus rules may bring about the loss of student riding privileges, for both limited and extended periods of time

- Keep aisle clear; Sit down in your seat; back to back; seat to seat and feet on the floor.
- Follow rules and directions the first time given.
- Talk quietly and be respectful.
- Use appropriate language; refrain from teasing and rude gestures.
- Keep hands, feet and objects to self.
- No eating, drinking, or chewing gum on the bus.
- The bus driver is always in charge.
- If using electronics, volume must be down.

## Entiat School District -Implementing a New Cell Phone Policy for 24-25 School Year

Our commitment to the students, parents, staff, and community of the Entiat School District is to provide an environment that is safe for all students and allows them to reach their highest potential. As part of this commitment to learning and the health and well-being of our students, we will be implementing a new cellphone policy starting in the 2024- 25 school year. This policy, which applies to pre-kindergarten through 12th-grade students, will restrict cellphone use during school hours to foster a more conducive learning environment.

We are implementing this policy due to many factors, a few of which are listed below:

**It's the Right Thing to Do:** The research and evidence are quite clear that the use of smartphones and social media is having a harmful effect on our young people's mental health. Knowing this, we can no longer avoid addressing this.

**Enhancing Academic Focus:** Research indicates that cell phones can be a significant distraction in the classroom. By removing cell phones, students can better concentrate on their studies, leading to improved academic performance and a more engaging educational experience.

**Addressing Mental Health Concerns:** Insights from Jonathan Haidt's book, *The Anxious Generation*, highlight the link between excessive smartphone use and increased anxiety and depression among young people. Limiting cellphone use during school hours aims to mitigate these risks and promote a healthier school environment.

### Dates to Remember:

- August 13<sup>th</sup> - 6:00 PM - Town Hall in the HS gym regarding Entiat's new cellphone policy. This is a chance to learn more about the new policy as well as ask questions and provide feedback.
- August 27<sup>th</sup> - 6:00 PM - Presentation and showing of "Screenagers" movie in the HS gym highlighting the negative effects of smartphones, social media, and the mental health of our young people.

# Open House BBQ

- Tuesday, August 27<sup>th</sup>. They will be serving Hamburgers/Chips/Cookies/ Drink from 4:30 p.m. – 6:00 p.m.
- Family of 4 is \$15.00, otherwise \$5.00 a person.

# Sponsored by the Class of 2025

Dear Entiat Families and Community Members,

I hope this message finds you well and enjoying the last few weeks of summer! While students have been away, we have been busy planning for the 24-25 school year.

Last month, we expressed our gratitude to our retirees and introduced our new staff members. Here is a quick recap of our new hires and the slight adjustments among returning staff due to an increase in enrollment:

**Elementary School:**

- **Berenice Medina** - K - 5 Multilingual Specialist
  - **Vicki Edwards** - 4th grade teacher
  - **Janine Schmoll** - 4th/5th grade teacher
- Laura Ramirez** - 5th grade teacher

**Middle School/High School**

- **Shawnee Gibson** - 9th-12th Grade Science Teacher

**Lauren Tewell** - Middle School Science and MS/HS Math Classes

We are excited to start this Fall with our dedicated and energetic staff, our Entiat Tigers, and collaborating with our supportive families!

Middle and High School teachers have also been busy preparing for ***Back-to-School Transition Meetings*** and Orientations. If you have a student in ***grades 6, 9, or 12***, their advisor will be reaching out shortly. These meetings are crucial for establishing routines and expectations as students transition into middle school, high school, and beyond.

Please also mark your calendars for our ***Back-to-School BBQ on Tuesday, August 27th, from 4:30 – 6:00 pm***, where you can meet your student's teachers and school staff. Be sure to also swing by our Parent Teacher Organization booth! They need your assistance in the coming year by volunteering, serving as an officer, and fundraising. The work they do to support our school is invaluable!

A special shout-out goes to our maintenance crew—Stewart, Cameron, and Dave—for their work this summer. These gentlemen have been incredibly busy deep cleaning and moving classrooms, preparing spaces after Summer School, repairing and upgrading equipment, and preparing our school grounds. We are very thankful for their commitment to ensuring our facilities are in great shape for the First Day of School on August 28th!

If you are wanting to enroll a new student or have general questions, our school office will open:

- *August 13th -August 15th from 7:30 - 3:00 pm.*
- *Closed August 16th*

Starting Monday, August 19th - regular office hours 7:30 - 4:00 pm.

Feel free to call our office for assistance at 509-784-1800, #2.

May you all continue to have a safe and relaxing summer! We look forward to seeing you all very soon.

Warm Regards,

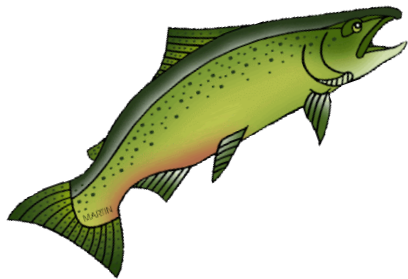

Tracie Husted Principal
