Dear Entiat Families and Community Members,

As you read this, we are over a third of the way through the school year which is just crazy to me. I think if I could be granted one “superpower,” I’d ask for the power to slow down time. However, there are some days I’d like to speed up, so I guess I must live with time as it ticks by.

I am sure the holiday season is at the forefront of many of your minds. However, now that we are at the beginning of December it is time to discuss our upcoming 4-year replacement levy. Though our community will not vote until February, we’ve been working on the specifics of the levy resolution for quite some time. I want to assure you that we will provide citizens with multiple means of becoming informed regarding our requested levy amount. As a taxpayer in the Entiat School District, I am keenly aware that the economic times are making each dollar worth less. This certainly is not a great time (if there ever is) to be asking people to vote on how they feel about taxes.

Though I will provide much more detailed information regarding our levy in the coming months, it is important to note that this February levy is a “replacement” levy and not an added tax. It replaces a 4-year levy that voters (many of you) approved 4 years ago in 2020. My goal will be to make sure anyone voting on this replacement levy will be well informed. That includes our need for the levy dollars and how we plan to use the money. I also know that no matter what your financial situation is, I cannot expect you to spend your hard-earned money without trusting that it will be used wisely. One of my aims is to assure you that the Entiat School District is and will continue to be a good steward of your tax dollars.

As I stated last month, I firmly believe the school is the heart and soul of our community. We both are better when we are working together and supporting each other. We certainly appreciate the continued support provided to the Entiat School District by its community members and will never take your support for granted.

Look for information on the replacement levy on our website at ENTIATSCHOOLS.ORG, in upcoming newsletters, on Facebook and in the mail. You can follow all the goings-on at Entiat Schools and keep up with the great things happening in our schools by visiting our school website. You will find our [athletic schedules](#) there, stay more informed on what’s happening at Entiat, and see the many things that make Entiat Schools great. Also, like/share our Facebook page ‘Entiat Schools.’ As always, I thank you for trusting your child (and tax dollars) to Entiat Schools and thank you for being part of our great “Tiger Team.”

BETTER TOGETHER: One Team; One Vision; One Community

“It’s Great to be a Tiger!”

The mission of the Entiat School District is to provide all students with the necessary knowledge, skills, and attitudes to be productive and responsible citizens.

Dear Entiat Students, Parents, and Community Members,

Happy Holidays! As we approach December and the upcoming winter break from December 18 to January 2, 2024, we extend our gratitude to everyone for their support in maintaining a consistent attendance routine and for contributing to the well-being of our students and families.

It's essential to address the days leading up to the break and the immediate days after, as these periods typically have higher rates of absenteeism. Your collective efforts can significantly help us reduce chronic absenteeism and enhance student engagement in school.

We appreciate everyone's commitment to minimizing extra time off during the winter break. Unless your child is unwell, we encourage you to ensure their regular attendance when school is in session. School not only provides a crucial opportunity for learning but also serves as a platform for students to connect with their peers and teachers on a daily basis.

Our heartfelt thanks go out to:

- Our students and their families, who consistently strive to attend school even when faced with challenges;
- Our teachers, who go above and beyond to create a welcoming and safe environment for all students;
- Our administrators, who work tirelessly to foster a physically and emotionally safe and engaging place to learn, The numerous volunteers and community partners who generously support both students and staff with their time, enriching learning experiences, and meeting various student needs.

If your family or child requires any support, please do not hesitate to reach out to Mrs. Susan Morris, Mr. Edwardson, or myself at 509-784-1800 #2 for assistance.

We sincerely appreciate each one of you. May the upcoming days off be restful and rejuvenating. We look forward to welcoming everyone back when school resumes on Wednesday, January 3rd, 2024. Thank you for your continued partnership with us!

Warm Regards,

Tracie Husted

*Class of 2024 – **F.A.F.S.A. Update** – Financial Aid Form will be available to complete online beginning **December 31st!!**

All students should have log-in information completed currently and be ready to begin applying on the 31st.

Scholarship information is quickly coming in and students have been receiving scholarship information to begin applying.

Some good websites for other scholarship and college information:

1. **CommonApp.org**
2. **The Washboard.org**
3. **Scholarships.com**
4. **Fastweb**
5. **College Board**

The Classes of 2024 and 2025 were recently visited by representatives with the **Washington Apple Education Foundation**, and they presented scholarship, and college application tips to our students. The Foundation also provides numerous scholarships that our students can apply for at **waef.org/scholarships**.

Financial Aid Event: In September Entiat sponsored a Financial Aid event where two representatives from Wenatchee Valley College presented Financial Aid information to our students and parents in the School's Library from 6:00 p.m. – 7:00 p.m.

*Classes of 2025 and 2026 participated in the **ASVAB** test on October 4th. The results were discussed during a meeting with ASVAB Manager Dr. Doug Callahan on November 1st. The ASVAB test allows our students to see where their strengths are in various educational areas, and can use their test results as a pathway towards meeting graduation requirements.

The **University of Washington** visited with students during a stop at Entiat School on October 27th and shared information on applications, the campus and financial aid opportunities.

As always if you have questions regarding Financial Aid, Scholarships, College Applications or credits contact Bill Edwardson at bedwardson@entiatschools.org.
