

## **Entiat School District Transportation Information**

### **BUS ROUTES & LOADING ZONES**

Buses will load and unload students in the bus loading zone, in the north elementary parking lot. Parents arriving to pick up students are encouraged to park in front of the school. Time schedules for morning bus runs for Entiat Schools (**times approximate**) are listed below. Mid-day pick-up pre-K bus routes will be set when all students are registered and will be communicated to parents of pre-K students separately. **Please have your child at the bus stop five minutes early.** NOTE: Buses on up-river routes go to the furthest point on the route and turn and pick up students on the trip back to the school.

### **BUS RULES**

Bus rules for the 2023-2024 school year are listed below. We are asking parents/guardians to review the rules with students. Each bus driver has tremendous responsibility, and riders need to observe the rules so that each trip is safe. Violation of bus rules may bring about the loss of student riding privileges, for limited or extended periods of time

- Keep aisle clear; Sit down in your seat: back to back: seat to seat, and feet on the floor.
- Follow rules and directions the first time given.
- Talk quietly and be respectful.
- Use appropriate language; refrain from teasing and rude gestures.
- Keep hands, feet and objects to self.
- No eating, drinking, or chewing gum on the bus.
- The bus driver is always in charge.
- If using electronics, volume must be down.

Dear Entiat Families and Community Members,

Just a few short days ago, the doors opened to our students. While we are trying to get a final count, we know our enrollment is significantly higher than the first day of school exactly one year ago. In fact, we expect we may have 90+ more students. For superintendents and business managers, an increase in enrollment is mostly a positive development as it helps with funding. On the other side of the coin, rapid growth can cause challenges for our teachers and administrators. It also impacts our facilities that we need to deal with. Class sizes have increased and during the last 2 summers, we have had to convert 2 computer rooms to 3rd grade classrooms.

As I look around, we have no more rooms that we can convert to classrooms so we will be working hard to create a short-range and long-range plan facilities plan for anticipated further growth. So while there are advantages and challenges to rapid growth, I keep in mind that this is a sign that we are doing good things in our school and community that are attracting new families. In the near future, I will be reaching out to community members to help serve on our long-range facility planning committee.

Our theme for Entiat Schools this year is

**BETTER TOGETHER: One Team; One Vision; One Community**

I want to thank our leadership teams for coming up with this theme. I think it exemplifies everything I want for our school and community. To get things done, I know no other way than to do it as a team and believe me, from day 1 of my tenure here, I have wanted to re-establish our relationship with the community. I feel that schools are the heart of small communities and we can achieve great things when we all work together.

Buckle your seatbelt for a fast and furious school year and remember that you can stay up to date and keep up with the great things happening in our schools by visiting our school website at [ENTIATSCHOOLS.ORG](http://ENTIATSCHOOLS.ORG). You will not only find our calendar and athletic schedules there, staying more informed on what's happening at Entiat, but you will also see the many things that make Entiat Schools great. Also, like/share our Facebook page 'Entiat Schools.' As always, I thank you for trusting your children to Entiat Schools and thank you for being part of our great "Tiger Team."

Greg Whitmore

Superintendent

"It's Great to be a Tiger!"

*The mission of the Entiat School District to provide all students with the necessary knowledge, skills and attitudes to be productive and responsible citizens.*

Hello Entiat Students, Families, and Community Members,

Welcome to the 23-24 school year! It has been an incredible start so far seeing all our new and existing students, staff, and families. The first couple days of school were spent building relationships, familiarizing students with school procedures, and preparing them for a solid start to a regular schedule next week. They all did GREAT!

**Better Together. One Team. One Vision. One Community.**

This school year our staff has prioritized working together to ensure all students connect with a trusting adult within our building and feel like they belong in the Tiger Community. Research suggests when people feel safe and connected, they are more likely to have improved attendance and greater student outcomes. Isn't that what we all want for our students and children?!

Our team also understands we cannot do this without the support of our families. Throughout the year, we may ask for volunteer support, a student conference, or a phone meeting. Again, we know that by connecting and engaging with families, their students' are more likely to earn higher grades, develop self-confidence and motivation, and have better social skills and classroom behavior. We recognize families are busy, so here are a few things to help your child be successful this year: check-in with them after school and ask about their day, set aside time to assist with homework, attend school events, and volunteer when you are available. We value you and your partnership which is why we've made connecting with you a priority. You are an important part of the team!

If you have any questions, concerns, or celebrations, please reach out to your student's classroom teacher or advisor. Our School Counselor - Mrs. Morris, Dean of Students - Mr. Edwardson, and myself are also available. We look forward to celebrating a great school year with you!

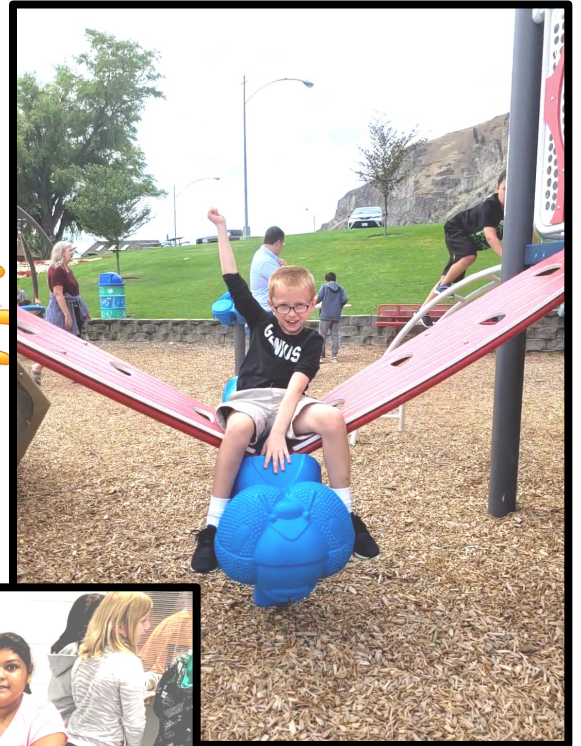

Warm Regards,

Tracie Husted

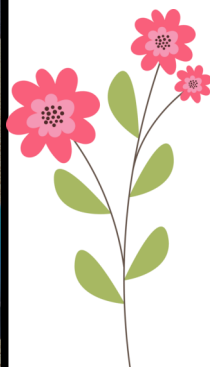

PK – 12 Principal

# Final Forms

Finals is ready for parents to update and resign. All athletic and academic forms will be available. For parents or students who need the forms translated, there is an option to do so on the bottom right of all screens.

**ATHLETES:** You MUST have all your athletic forms signed before the first practice. If you have a new physical, you have the option to upload to Final Forms if you are not able to turn it in to the office. The Activities Code has been updated so be sure to read that document.

**ALL STUDENTS:** There are a few new academic forms this year and our Activities Code has been updated so be sure to read through those. **FOR STUDENTS IN 6-12 GRADES;** all forms must be signed by the parent and the student before a Chromebook is checked out. You also need to pay a \$10.00 deposit for each Chrome book.

**FOR STUDENTS IN 1-5:** it is important that all forms are signed so students are ready to use district devices and ready for field trips.

If you have any questions, please email Heather Long @ [hlong@entiatschools.org](mailto:hlong@entiatschools.org).

El sitio web de Final Forms esta listo para que los padres lo actualicen y lo firmen de nuevo. Todos los formularios atléticas y académicas están disponibles. Los padres o estudiantes que necesitan traducir los formularios, hay una opción para hacerlo en la parte de abajo a la derecha del sitio web de Final Forms.

**ATLETAS:** DEBES tener todos tus formularios atléticos firmadas antes de la primera práctica. Si tienes un nuevo examen físico, tienes la opción de subirlo a Final Forms si no puedes entregarlo en la oficina. El código de actividades se ha actualizado, así que asegúrese de leer ese documento.

**TODOS LOS ESTUDIANTES:** Hay algunos nuevos formularios académicas este año y nuestro Código de Actividades ha sido actualizado, así que asegúrese de leerlas.

**PARA ESTUDIANTES EN GRADOS 6-12:** todos los formularios deben estar firmados por el padre y el estudiante antes de recibir un Chromebook.

**PARA ESTUDIANTES EN GRADOS 1-5:** es importante que todos los formularios estén firmados para tener a su estudiante listo para usar dispositivos de distrito y listo para excursiones de campo.

Si tiene alguna pregunta, envíe un correo electrónico a Heather Long a [hlong@entiatschools.org](mailto:hlong@entiatschools.org)

## CEP CONTINUES IN 2023-2024:

We are pleased to announce that the Entiat School District will continue to participate in a federal program called the **Community Eligibility Provision (CEP)**. This program allows all children in our schools to receive school breakfast and lunch at no charge. Entiat has been approved to offer this program through the 2024-25 school year.

**What does this mean for students who attend Entiat School District?** In a CEP school, all students receive a nutritious breakfast and lunch **at no cost, regardless of family income.**

## BUT WE NEED YOUR HELP!

Since some education programs we provide are funded with state dollars that are based on the economic level of our community, we must provide income data to the state.

We will no longer be collecting Free and Reduced-Price Applications, but instead, we will collect the new **Family Income Survey**. This form helps us collect household information for all students attending CEP schools. **Without this information, the District could lose important state funding for educational programs that our students are entitled to.**

## WHAT CAN YOU DO?

Please take a moment to complete the **Family Income Survey** and return it to your student's school. Only one survey is needed per family.

We're excited to offer no-cost meals to all students and appreciate your help. In order to continue to offer this program, we must collect this important data. If you have any questions, please contact Britney Quezada at (509) 784-1800.
